Sonrise Learning Center

Equipping children with knowledge and the love of God.

A Letter from the Director

Sonrise Learning Center, affiliated with Cornerstone Christian Fellowship, is a preschool for children ages 2 years 10 months to 5 years old. At Sonrise L.C. it is our goal to provide an affordable preschool to the children of Lebanon County. We provide a nurturing environment in which each child can develop a love for learning and have a positive first experience with school.

The daily program at Sonrise L.C. is a combination of child-centered and teacher directed activities. We provide opportunities for children to learn through repetition and hands-on activities as well as songs and visual aids to involve the child's five senses in the learning experience. Also included in our daily program are a physical education class and music class.
